From the winners:

“Every clue helped us, honestly. Mostly the ‘reach around’ and ‘lighted’.
Also, the cars on 3 sides. We searched a lot last weekend all over Lowell.
This week’s clue that said it was ‘near the river’ narrowed it down. My daughter
literally came back from Chicago again this weekend to look some more.
We were determined to find it!”

The Clues and Answers:

Clue #1

I’m located near a corner, all lit up at night (Avery & Monroe)
I’m also well hidden, entirely out of sight (Behind Cedar Trees)
I can see many, as they come and they go (Parking lot, Library, etc.)
Reach around to get me, at least there’s no snow (Back of light pole)

Clue #2

There can be cars in front, on the side and behind
(Parking lot, Runciman alley, Monroe St.)
Sometimes it’s quiet with full peace of mind
I’m near the river, and I can see brick
(Flat by Riverwalk/Runciman building wall)
You should find me now, but you better be quick
(The Riddler was correct!)
Clue #2 revealed at 7:00am and found at 8:30am!
