

# Riddle #17 Solved!

**Congratulations!**  
**Mark Weaver from Lowell!**

His prize package contains **Lowell Bucks** sponsored by **Lowell Area Chamber of Commerce**, and a **gift card** sponsored by **Sweet Seasons!**  
Additionally, **anonymous donations** of **gift cards** for **Main Street BBQ** and a gift certificate to **Sneakers!**

## From the winner:

“Where wanderers now consort” seemed to suggest North Country Trail, but that’s as far as Clue #1 got me. Clue #2 cemented the Trail Headquarters with “trail-ers” and the “short drive” behind. I checked out three bollards and found nothing, then I found a FOURTH and there it was!

## The Clues and Answers:

### Clue #1

Directional mode of transport,

**Old Western Auto Store**

Where wanderers now consort.

**North Country Trail Office**

They come out at dark,

**Lights behind the building**

Then go to the park.

**Parking lot area**

They work but they come up too short.

**Light is shorter than the surrounding bushes**

### Clue #2

Out the back of the trailers it beams,

**Light behind North Country Trail Office**

On the short drive behind the scenes.

**Adjacent to drive behind the building by parking lot**

Three of them mark

**Identical lights of differing sizes**

The way in the dark.

**Only come on after dark**

They’re not all too bright so it seems.

**The lighting isn’t very bright**
